Re: Use of Ignite's Equipment Without Authorization

Dear Gym Members,

We have recently become aware of some members crossing over to Ignite Energy Conditioning's area to utilize and relocate their equipment. Please be reminded that the boundary between Crestwood Fitness Center and Ignite begins after the shared washroom facilities.

Kindly note that Ignite's equipment is intended solely for use by members who have signed up for their classes. If you wish to participate in Ignite's classes, please reach out to Sandra at sandra@igniteenergyconditioning.ca. Members found using Ignite's equipment without proper authorization will be issued a warning. Upon receiving a third warning, their membership will be subject to revocation.

Should you have any questions or concerns, please contact tenant services at 604-699-5204 or service@petersonbc.com

Your Management Team,
PETERSON COMMERCIAL
